

VETERAN CONNECTIONS TRACK at the Florida GovCon Summit

Join us in Orlando for the Florida GovCon Summit – February 28 & March 1, 2018

The Veterans Connections Track at the The Florida GovCon Summit brings together two communities that are already closely connected by their common interest in defense and aerospace.

We have created the VETERAN CONNECTIONS Track as part of the Florida GovCon Summit, because it's the perfect venue to bring together transitioning veterans and a community that understands the Value of a Veteran!

So many of these small businesses attending the small business tracks at the Florida GovCon Summit are:

- Growing veteran-owned businesses with veteran leadership, serving military clients
- Working with federal agencies, aerospace and defense, cybersecurity, modeling simulation and training, intel, IT services, special operations
- Recruiting veterans for their leadership, their commitment and their determination
- Seeking mature, capable employees who will represent their companies appropriately
- Advocating veteran employment and supporting transitioning veterans

We have created the VETERAN CONNECTIONS Track as part of the Florida GovCon Summit, because it's the perfect venue to bring together transitioning veterans and a community that advocates veteran issues and understands *the Value of a Veteran!*
